

## GAZETTEER OF BUILDINGS IN STEEPLE ASTON AND MIDDLE ASTON

Compiled November 2010 with further notes added by visitors to SAVA's exhibition "The Development of Steeple and Middle Aston".  
The reference number is to SAVA's village plan where every house and other buildings in the Parish are identified. The list is in alphabetical order by street name. Middle Aston's list is currently incomplete.

If you know of any buildings missing from this list, or dwellings incorrectly named, please let us know. Similarly, if you have further information on dates or can respond to any of the question marks, this would be gratefully received via Contact Us on the Home Page.
